

A person's legs in blue pants and red shoes are visible at the top of the frame, walking on a stone path. The path is composed of various colored stones (brown, grey, blue, orange). A large, vibrant projection of a pond scene is overlaid on the path. The projection features large green lily pads and pink and white lotus flowers. The overall scene is brightly lit, suggesting an outdoor or well-lit indoor environment.

**SENSE MICRO- ULTRA PORTABLE
INTERACTIVE PROJECTION UNIT**

SENSE MICRO

- The SENSE Micro is one of the smallest, most portable interactive floor available. The SENSE Micro creates colourful engaging floor projections that respond to, and interact with, body movement.
- Lightweight and easy to move from room to room the SENSE micro offers instant 'Plug and Play' operation with no setup
- Ideally suited for use in a classroom, or at home, the SENSE Micro creates bright, stimulating projection which interact with movement and touch.
- The SENSE Micro can project onto a table allowing almost any surface, including wheelchair trays, to be used.

SENSE MICRO

- Easy to install, this system transforms any floor, in a domestic or educational setting, into a fun, immersive and interactive environment. Being only 12cm wide, 23cm high and 15cm deep, the SENSE Micro is truly compact
- Simple to operate, the SENSE Micro is supplied with click together, portable, foam flooring so the interactive surface can be used in any room and can be relied upon to deliver a bright, colourful projection.
- The Integrex SENSE Micro software and high brightness projector create multiple themes and images which are combined with in-built speakers for audio effects. The range of stimulating interactive and colourful themes includes 'Splat the Balloons', 'Scatter the flowers' and interactive fish pond.

SENSE MICRO

- With thousands of pictures and hundreds of videos and sounds on-board, any image or audio file can also be added to the many effects available, enabling teachers or parents to customise programmes for individual users.
- Around 300 pre made pieces of content already to use themes include;

Aurora	Fireworks	Media Player	Retract	Splat
Beams	Flip	Particles	Reveal	Sport
Demister	Hotspots	Questions	Scatter	Water Ripple
Fade	Image painter	Repel	Sharks	

OPTIONAL TROLLEY

- With the optional trolley the SENse Micro can be wheeled from room to room and can be used to allow the Micro to project onto tables and wheelchair trays
