Extensive Variable Recline (EVR)

Extensive Variable Recline or EVR is specific to the X1 task chair. X1 users will find that EVR provides a level of customizable comfort previously unimaginable.

X-TASK X1's classic black base pairs with the black and gray mesh color options to create an aesthetic that works in any office environment. The bold curves of the X-Chair deliver modern technology and comfort that can't be found in any other office chair.

“

This chair is amazing. I spend many long days at my desk and I feel as human when I get up as when I first sit down. It provides support in all of the right places. It has exceeded my expectations!
