This innovative system is the ideal solution for your active lifestyle, enabling you to read, write, and see in any environment including work, home, and school. Jordy is a battery-operated, full-color portable system that can be worn like a pair of glasses to see near, far, and everything in between. Jordy becomes a fully functioning HD desktop video magnifier when placed on its optional desktop 24" monitor docking stand.

Jordy Features:

- HD autofocus camera for distance, intermediate & near viewing
- Adjustable magnification
- Color Select, Locator, Freeze & Focus Lock functions
- Dual display with wide field of view
- 5-level brightness control
- Adjustable top strap and nose piece for optimum comfort
- Glare reduction eyecup shield
- Lens holder for your prescription
- Headset weight: 8 oz
- Control unit with built-in rechargeable 4 or 8 hour battery
- HDMI input for TV viewing with brightness and volume control

Jordy with Control Unit

Optional Docking Stand Converts Jordy into a CCTV

CCTV Features:

- 24" high-resolution HD Monitor for best image quality
- HD autofocus camera
- Simple, easy-to-use tactile controls
- Adjustable magnification from 3.5x to 20x
- Multiple viewing modes to optimize contrast
- Locator button allows for quick zoom in and out
- Built-in LED lighting
- Slide mechanism provides flexibility for various camera arm positions
- Tilting LCD screen
- 2 year warranty
- Designed & Assembled in the USA

Patented Technology

“Jordy makes my life easier. It helps me do everyday things like read my books, use the computer and pay my bills. It also allows me to see my family, watch TV, play cards and enjoy so many other things I thought were lost to me. It is simply amazing.”

Eddie Tran
